Mr. John T. Campbell, Head
RBC Monitoring Service
Caversham Park
Reading, Berks.
England

Dear John:

Thank you very much for your letter of 23 August. I am very glad that my new assignment will provide an opportunity to work even more directly with you in furthering the cooperation between our two services.

There is no reason apparent at this time for drastic alterations in the plans for the fall coordination committee meeting although it would now be preferable from our point of view to meet around December first. If you agree I will plan accordingly.

Sincerely,

STAT

Dear Roger,

[] has told me of your appointment to succeed Alan as Chief FBIS, and I hasten to send you my warmest congratulations and to say how delighted I am that in your new capacity we are to continue to work together. All here join with me in sending you our good wishes.

I hope we are to have the pleasure of greeting you over here this fall - although you may feel that with the turn of events you may have to alter the original plans, but I feel a Coordination Meeting is very desirable in the early future as there are several matters which I think we ought to discuss. However, I will wait to hear from you when you have had time to see how you are placed about the next Meeting.

With kind regards,

Yours sincerely,

J. T. Campbell
Head of Monitoring Service
